

## Product Information and Specifications PaperOne™ Base

**PAPERONE™ BASE** is a highly versatile paper suitable for various end product applications. It is a high strength paper with excellent print quality. **PAPERONE™ BASE** is available in high-bright white shade and is produced using 100% ECF pulp from renewable plantation fibre. This paper is alkaline sized to meet ISO 9706 for archival quality.

### FINISHINGS

- High Strength Bag Making
- Carton Liners and Other Packaging Applications
- Gluing, Indexing
- Spiral Binding
- Cutting & Folding

### PRINTING METHODS

- Sheet Fed Offset

### BENEFITS

Reduces Machine Stops

High Strength Paper

Better Productivity & Profits

Excellent Printability

Higher Machine Speed
